Na každém řádku škrtni obrázek, který mezi ostatní nepatří.

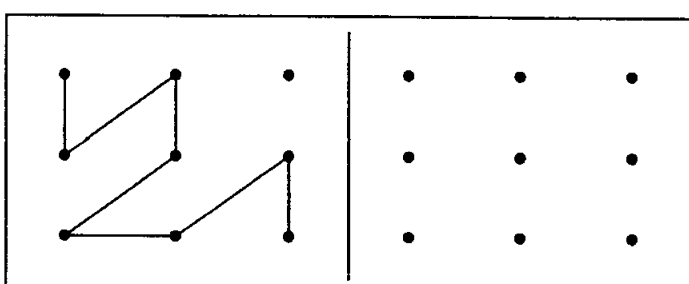

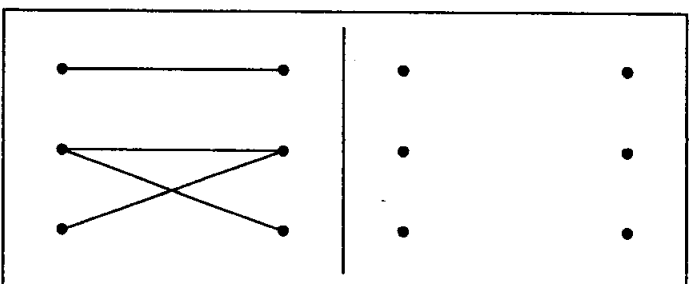

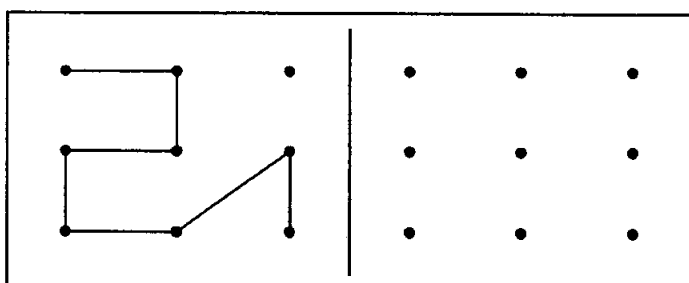

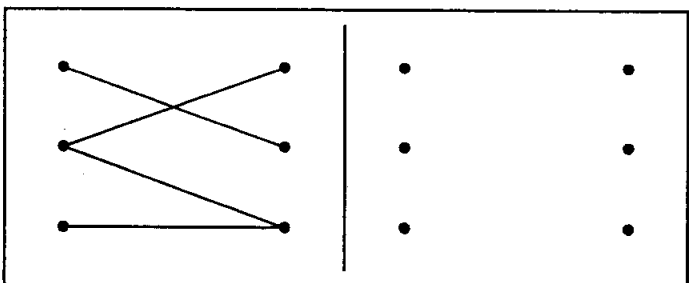

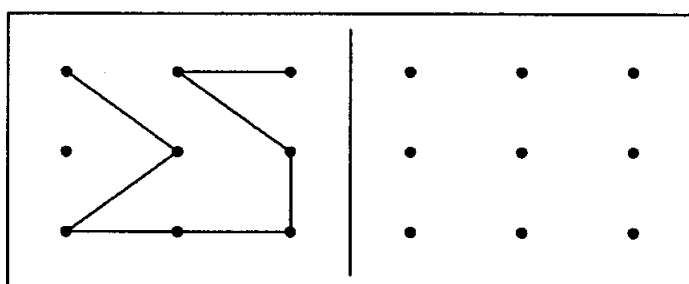

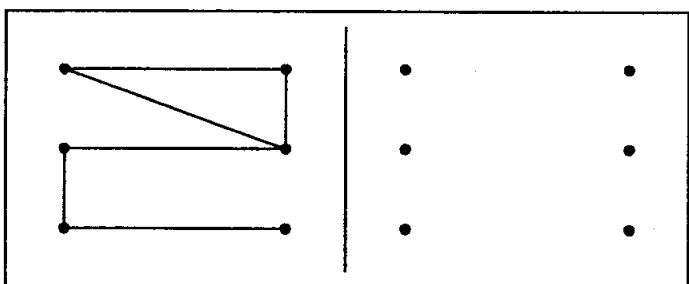

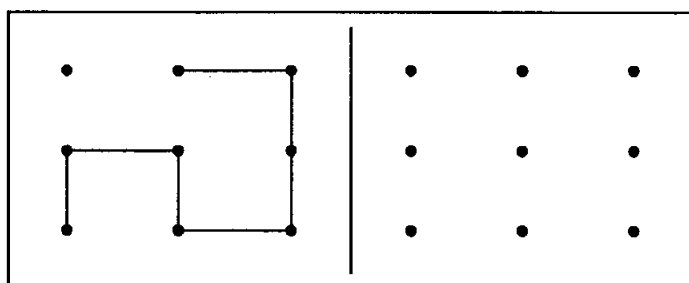

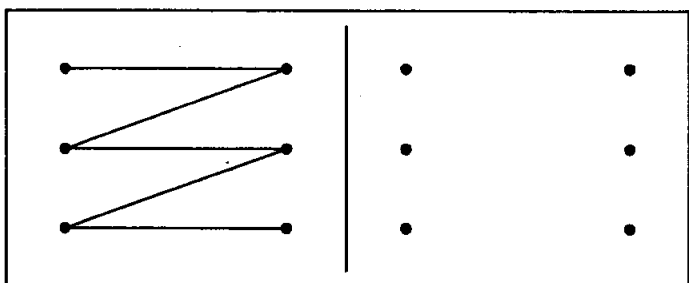

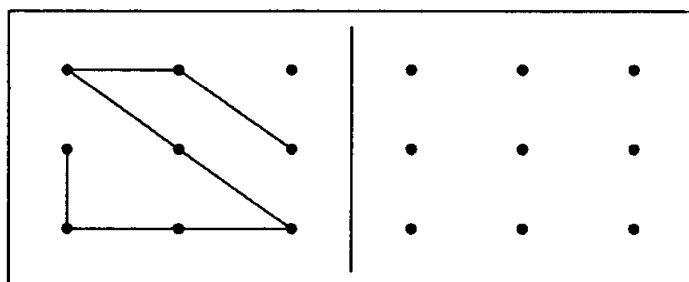

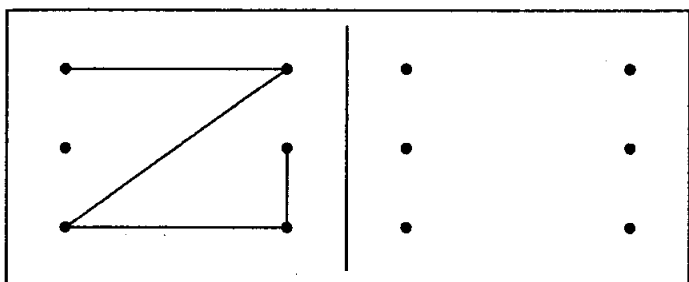

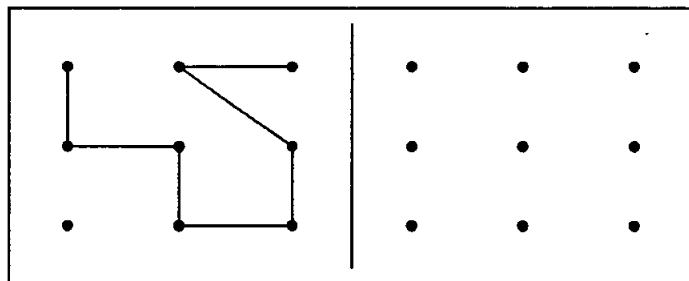

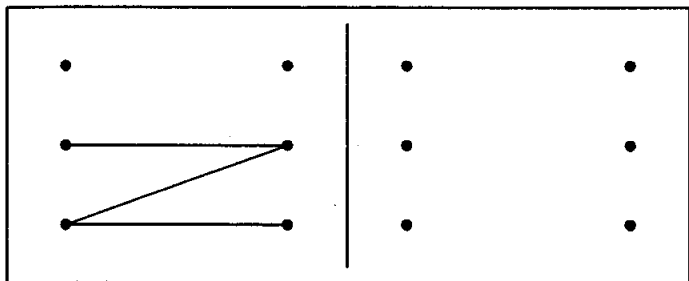

Vybarvi různými barvami všechny trojúhelníky, které na stránce najdeš. Spočítej je. A teď spočítej, kolik tvarů zůstalo nevybarvených.

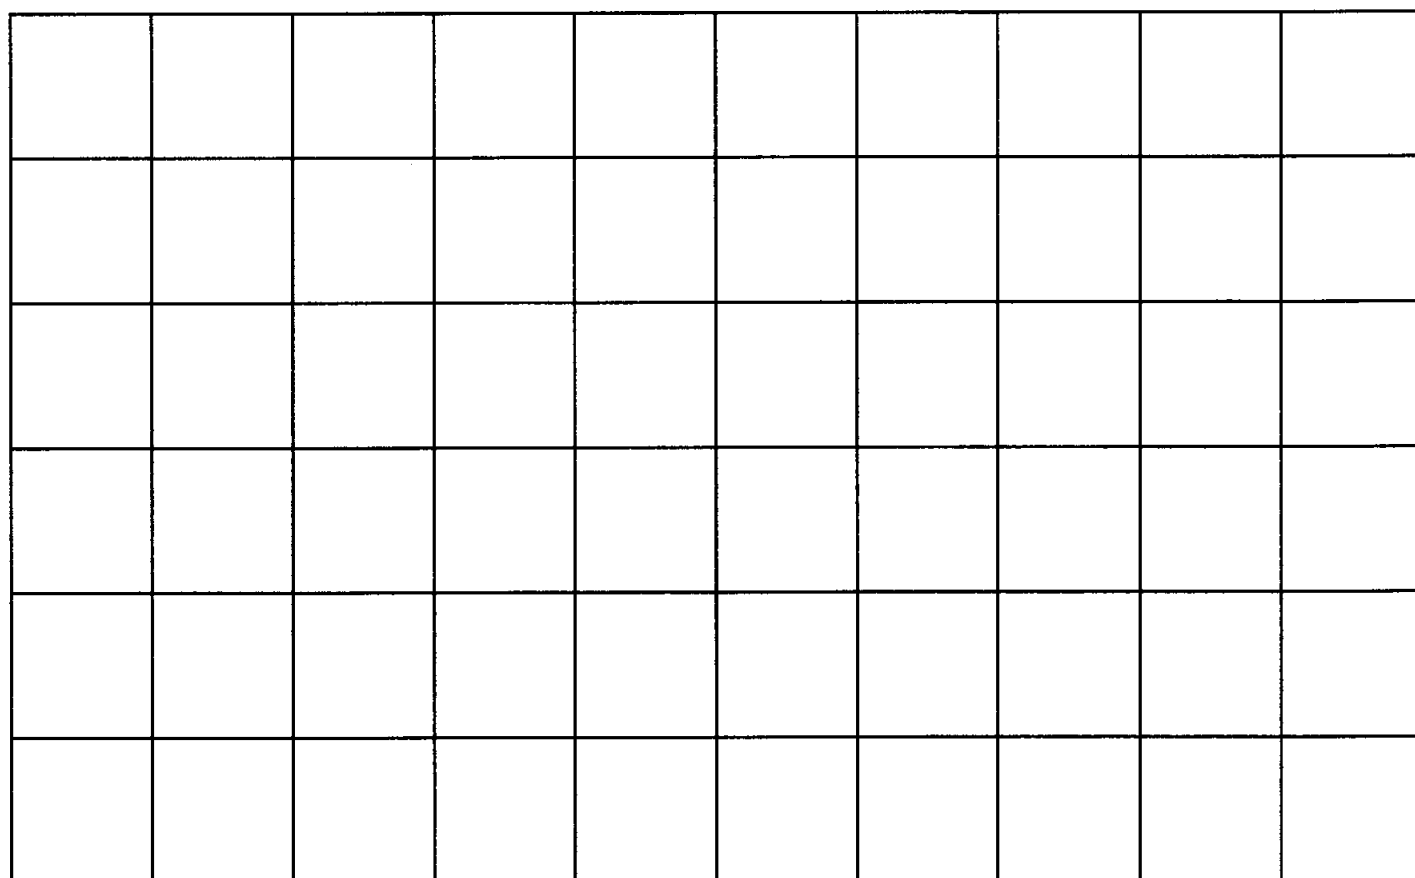

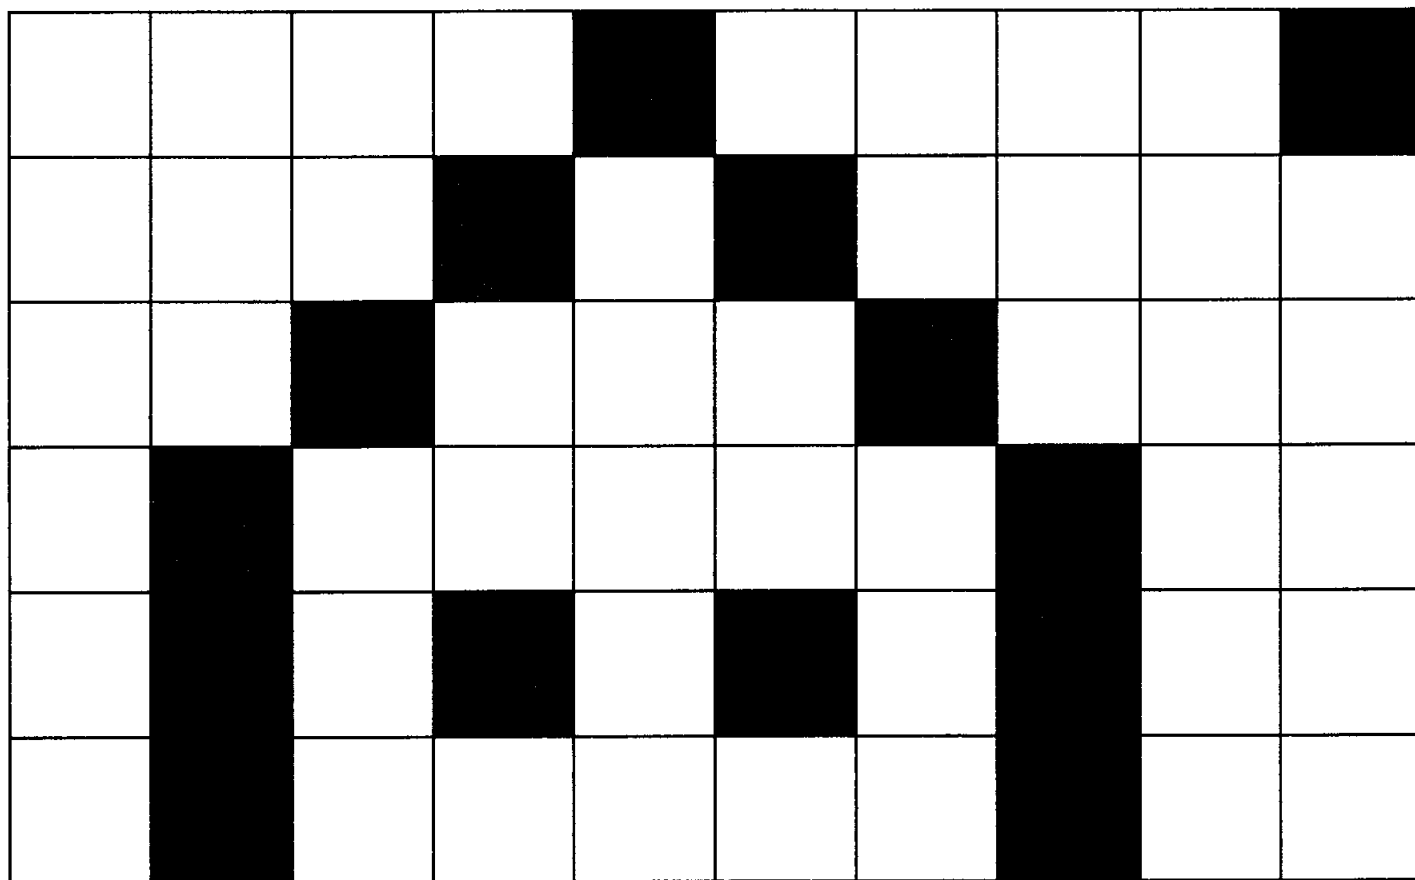

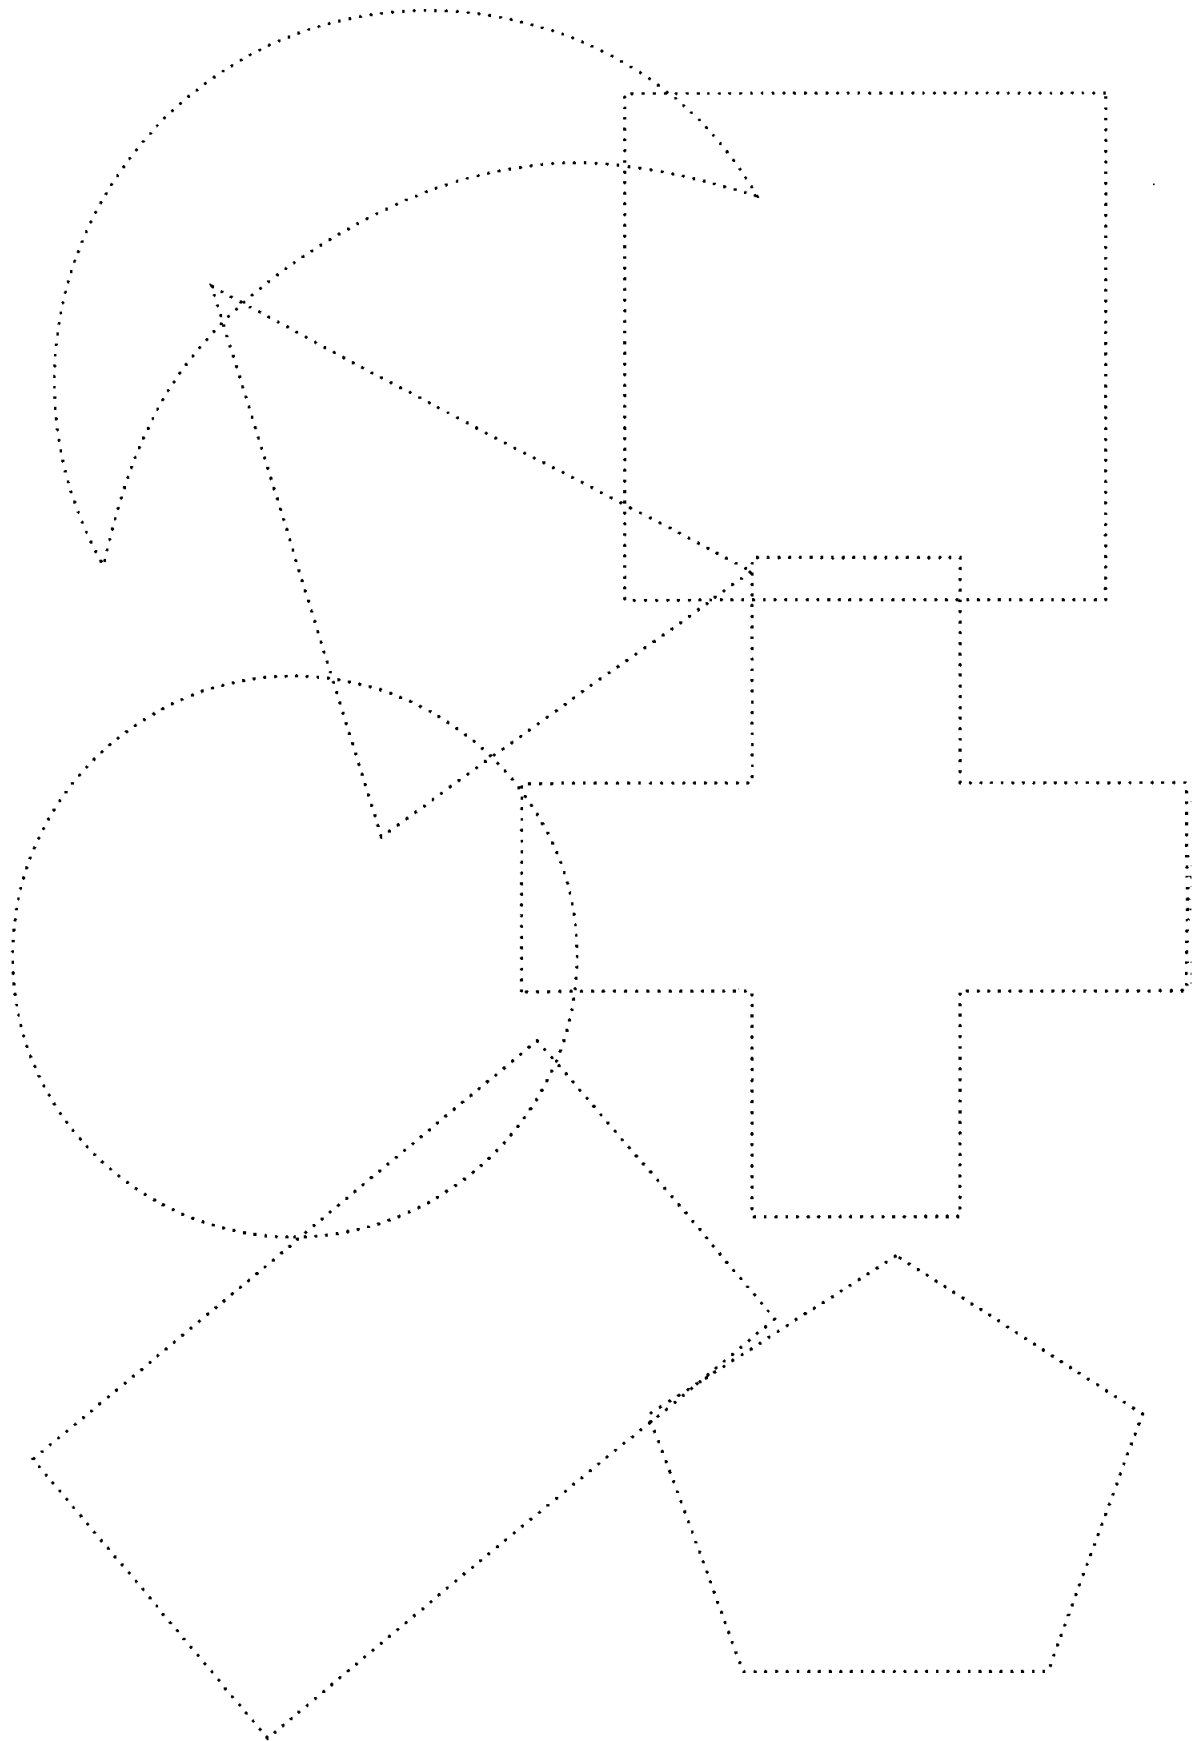

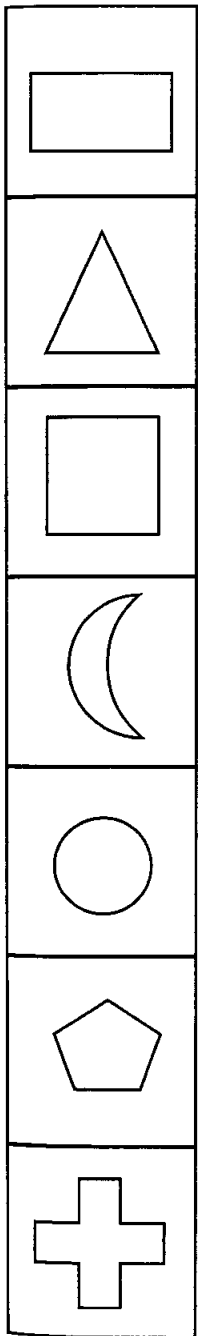

„ Překresli obrázky do prázdné tečkované sítě.

Vybarvi čtverečky v dolní síti přesně tak, jak jsou v horní síti.

Nejdříve obkreslí jednotlivé tečkované obrazce na stránce. Následně je spoj se stejným obrazcem v tabulce na pravé straně.
